Did you know that volunteers run a cinema in St Pierre-Sur-Dives, the REXY, and often show English speaking films ?

Regularly, you can see a recently released film and have a cup of tea or coffee amongst friends for 4€.

THE BEST EXOTIC MARIGOLD HOTEL

By John Madden (2:05)

with Judi Dench, Tom Wilkinson, Maggie Smith

A bunch of British retirees are hoodwinked into checking into an apparently plush luxury home in India where retirement promises to offer better value than it does back in England, but all is not what it appears to be.

Charming, delightful and highly amusing - just what you'd expect from the star studded cast of veterans.

Would you, as part of English speaking community in Normandy, be interested in joining us ? so please tell yours friends !

We hope you like this ideas and are looking forward to seeing you !
